Statistical data

Published Publication date 29.07.2013

Police data

Prosecution General data

According to Police data on THB prepared by the Unit for Combatting Trafficking in Human Beings in Criminal Service Office of Police Headquarters, 750 cases of THB were identified between 2011 and 2014. Police registered 70 suspects and 375 victims.

Police data	2011	2012	2013	2014
Crimes recorded	427	61	186	76
Suspects	13	23	23	11
Victims	166	18	141	50

According to data from Prosecution General, prepared on the basis of on going monitoring of preparatory proceedings in the area of THB, there were 239 cases of THB (art. 189a § 1 and § 2 of penal code) registered between 2011 and 2014

In the course of those proceedings 1058 victims were identified and recorded.

Prosecution General data	2011 r.	2012 r.	2013 r.	2014 r.
Recorded preparatory proceedings (on going and new)	52	65	57	65
Completed preparatory proceedings	52	68	76	64
Proceedings concluded with an indictment	11	23	26	15
Discontinued proceedings	24	20	23	19
Acused	22	32	47	28
Victims				
Victims	590	230	135	103

Victims - women	247	144	96	78
Wictims - men	343	86	39	25
Form of exploitation (initiated proceedings, without art. 189a § 2 of the penal code)				
Prostitution	27	36	38	33
Forced labour	5	7	6	8
Pornography	1	1	0	0
Forced begging	3	1	1	5
Orgal removal	0	0	1	0
Other	12	20	8	19

It can be observed that the number of proceedings ending with an indictment remains stable since 2011. In 2014 there was a slight decrease of indictments from 34% of all proceedings in 2013 to 23%. The number of victims recorded by prosecution has also decreased.

The proportion of exploitation form also remains stable with sexual exploitation being the dominant form. In 2014 there was a decrease of victims of forcing to social benefit frauds and credits or bank loans.

Two cases of transit through the territory of Poland were detected in 2014.
